THE GOLDEN BEE

SARDINIA ON THE BEACH

The story of the Abi d'Oru is one of ingenuity and hard work: this historic hotel, the first built in Porto Rotondo and the Costa Smeralda, has been creating 5-star relaxation and happy memories, imbued with that special Sardinian brand of warm hospitality, since 1963. Three generations of guests love its unmistakable charms: wonderfully attentive staff, a golden beach lapped by the turquoise waters of the Gulf of Marinella and the sea breeze that carries into the rooms each morning.
